Home Citizenship Form

To Whom It May Concern:

My name is Master John Leger; I am chief instructor and owner of Alabama Karate Academy. We are located at 661 South Main Street, Wetumpka, Alabama 36092.

Part of my student’s development is proper behavior in all areas of their life. Their goal between each testing cycle is to be a LEADER at home. They are required to work hard, do their required chores, take care of their responsibilities without arguing with their parents. If they have accomplished their goals between testing, they will earn their home Citizenship Award in addition to their new belt they are earning for their Martial Arts curriculum requirements.
